

Disruption with Digitalisation

GAURAV SHROTRIYA

General Manager

COMQUEST SDN BHD

What's Common ?

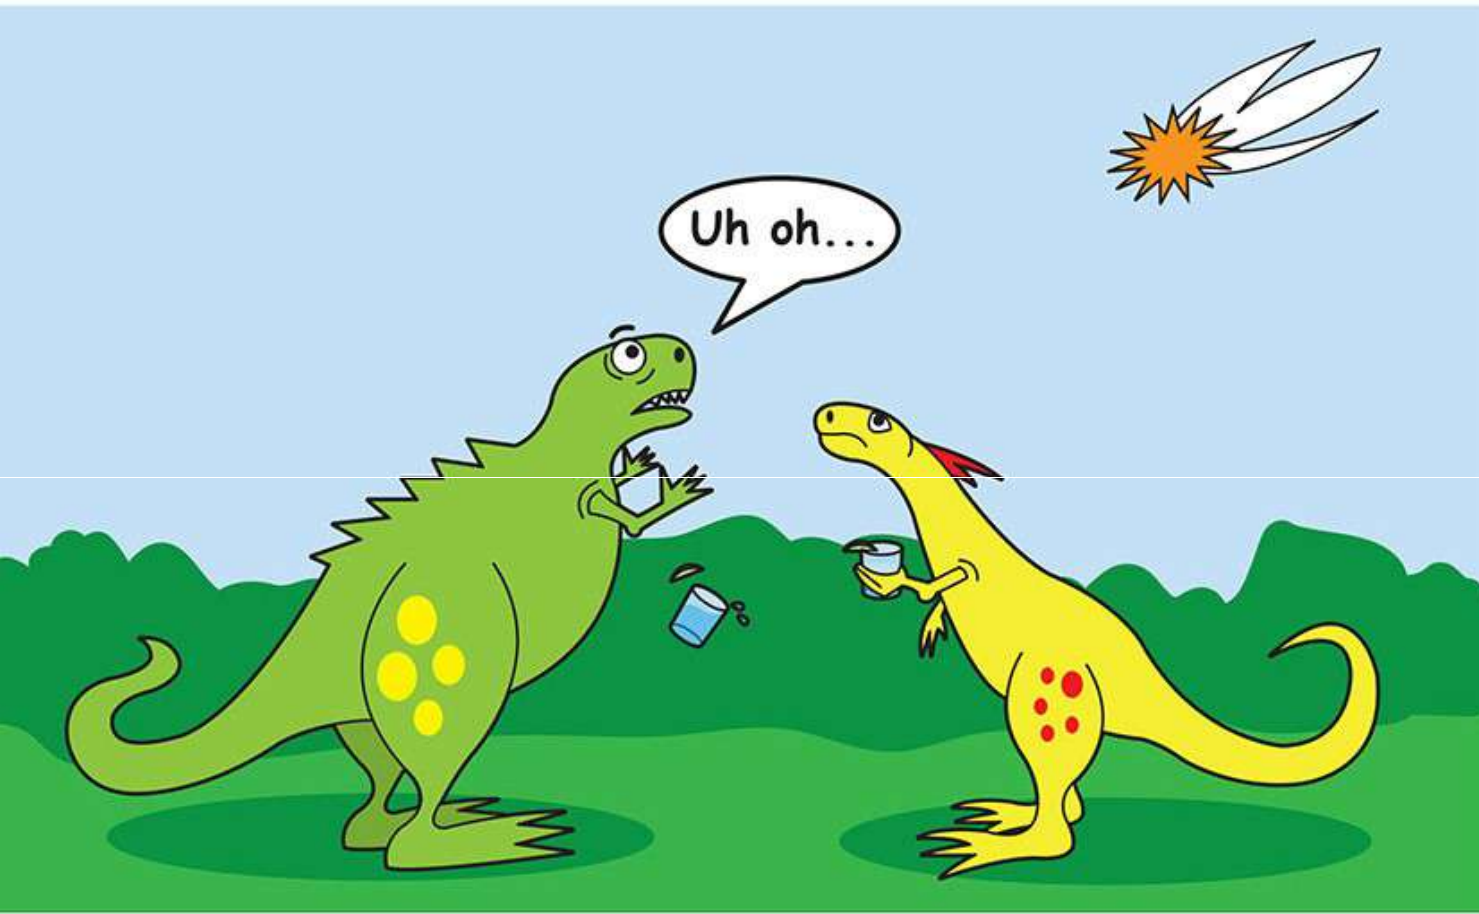

The Mindset

- 5 people
- Scarcity to abundance
- Zero Cost of information

me for a Story

years ago

Another Meteoric Strike

- Computation
- Sensors
- Networks
- 3D Printing
- Synthetic Biology
- AI
- Blockchain
- Augmented & Virtual reality

As we start to settle down.....

-
- January 2020

Visualising Disruptions

The Space

- Humans will live, work and holiday in space
- Mine water from Moon & be able to grow food in space
- Sustainability in space will benefit sustainability on Earth

ne Food

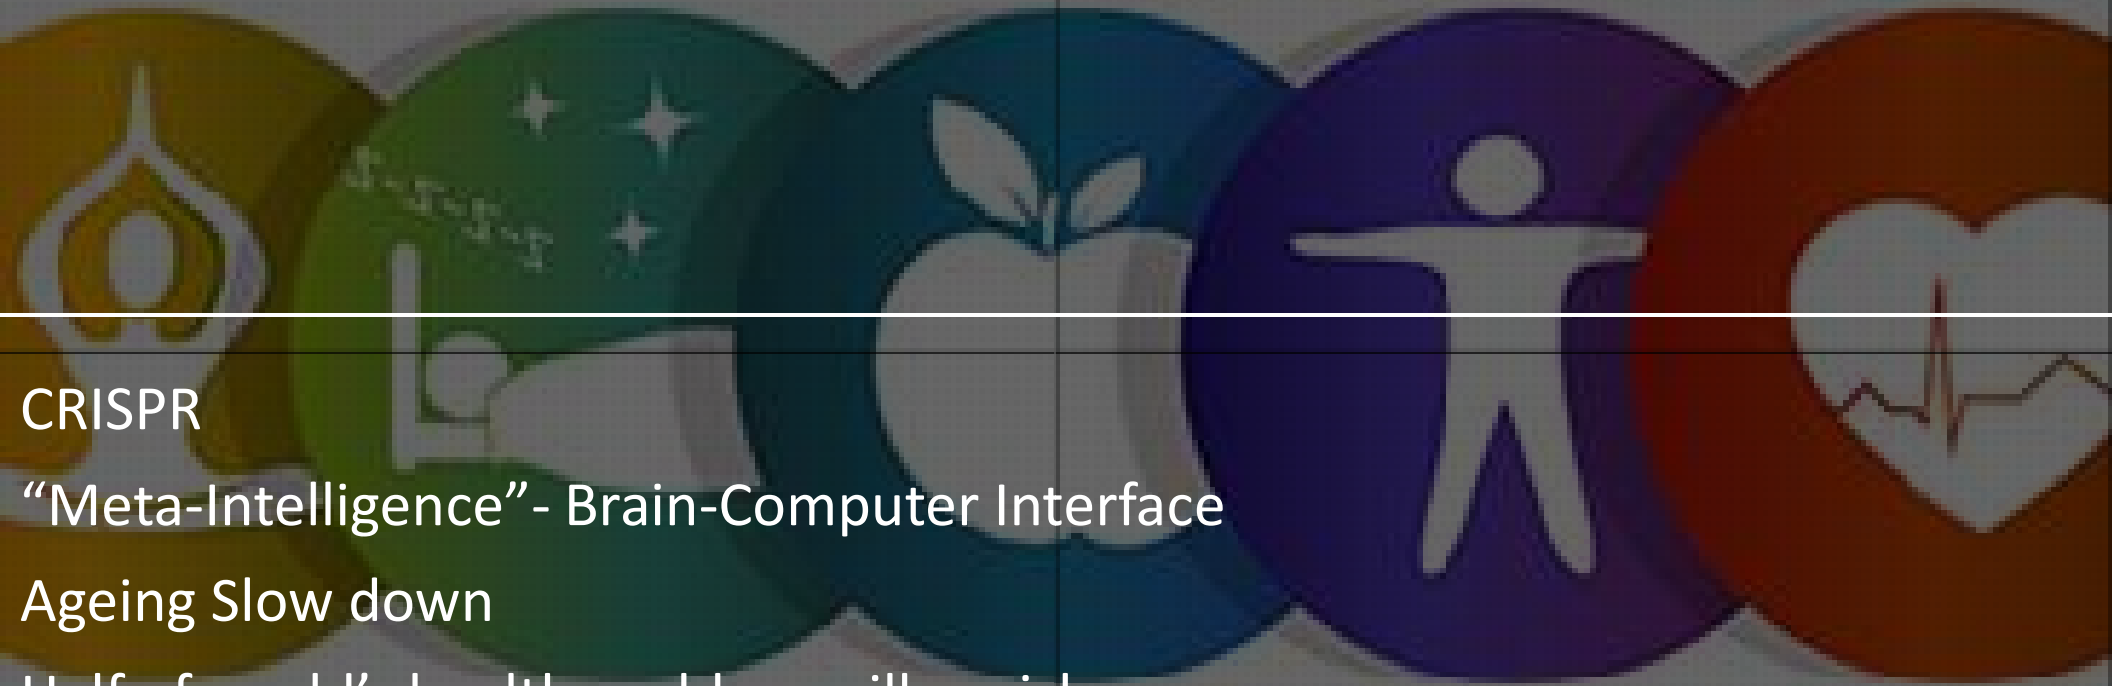

What is Food

Sustainability- Possibility ?

- Impossible- World of livestock
- Stem cell –Lab meat as alternative
 - Greener
 - Cheaper
- Agri-Tech Explosion

ASEAN

healthcare

CRISPR

“Meta-Intelligence”- Brain-Computer Interface

Ageing Slow down

Half of world’s health problem will vanish

Other Industries

- Education
- Transportation
- Forestation
- Retail

THINK BIG,

ACT BOLD

Q&A
